Why the **Blue DiamondTM** is **The Ultimate Pool Cleaner:**

- **Highest Quality:** Meticulously handmade of the finest quality with Heavy-Duty components by skilled craftsmen: State-of-the-art electronics, and fade-resistant, ding-proof body.
- **Fastest & Most Efficient:** Unique, patented, computerized guidance system. No wasted movement means most pools cleaned in **only 1 hour** ... up to 20 times faster** than pressure and suction side and 7 times faster than other robotic cleaners. No more manual brushing and vacuuming with drastically reduced backwashing.
- **Most Durable:** 1/7th to 1/20th of the time needed for other cleaners results in up to **95% less use, 95% less maintenance**, and a longer life expectancy. We back this up with an industry-high **4 Year warranty***
- **Incredibly Economic:** Unchallenged speed and efficiency, plus industry low 12 volts = Huge cost savings on electricity, chemicals, water, and maintenance.

- **Ease-of-Use:** Lighter than other robotic cleaners, with convenient **carrying and storage caddy cart included**. Just drop the Blue Diamond into your pool, plug the transformer into any grounded household outlet, and push a button; it shuts off by itself.
- **Completely independent (robotic):** No Installation, no Hoses, no suction lines, no booster pumps, no supervision, no work required! Takes only minutes to clean and includes a reusable, long-life micro-filter bag.

Works In ANY Pool ...Brushes, Vacuums and Micro-filters ENTIRE POOL, including Floors, Walls, and most Steps. PVA Brushes provide unmatched traction and climbing ability... **Removes algae**, bacteria, pollen, dirt, sand, silt, acorns, twigs, staining metallic particles, small and large leaves, etc... Even Scrubs the Waterline.

Available in 2 Models, Standard and Radio Remote Control for quick "spot clean-ups", or to guide the Blue Diamond to areas of the pool which may require extra cleaning attention.
